Watch out for our new photography project "People of Revoe". Our resident Community Engagement Worker and Photographer Becky will be showcasing the **stories of Revoe residents** along with their photo on Instagram.

World Café

On the 22nd September 2018 Revoelution joined forces with Mutual Gain and Revoe School to conduct a "World Café" where we asked Revoe residents to give their opinions on problems surrounding public health regarding drugs and alcohol in the area.

We are now in the process of analysing the results of this World Café and will be displaying our findings in a report. If you would like to be involved in this process and/or if you would like a copy of the report once it is completed then contact the Revoelution Hub and our staff will be happy to organise this for you
